The League would like to thank Gavin Clarke for all his help setting the new website up (token of appreciation).

Summer Season

We will be having a short summer season and this will be free, we will only be playing teams once in your division and the season will only last nine weeks. We are hoping to start the winter season the week after the summer season has finished.

Vote

Summer season – 39 yes votes (almost unanimous) 6 x 7 team divisions starting 24th June.

Winter Season

We had a long discussion about what should happen in this coming winter season: 

1. Do not play cup competition, just the singles & pairs
2. Play K.O cup only one match not home and away
3. Pick up weeks – are they needed??
4. Use catch up weeks for cup competition in the later stages
5. Play cup competitions at the end of the season
6. Keep it as it is
7. Play 1st few rounds at the start of season and the last few rounds at the end of the season.
After a long discussion we voted

Vote for 3 cups or 2 cups competition / vote was yes for 2 cups
Vote for 2 legs or one / it was yes for 2 legs
Vote on when singles and pairs should be run and that was a yes for the end of season
